We are looking for a person who can quickly generate confidence and respect and who is capable of fostering highly positive working relationships with children, parents, and colleagues.

Phil Ward,
Headmaster.
Thomas's London Day Schools educates over 2000 children at four schools – Thomas's Battersea, Thomas's Clapham, Thomas's Fulham, and Thomas's Kensington, and in one kindergarten in Battersea. Thomas's Academy, formerly New King's Primary School, joined the Thomas's family of schools in September 2015.

Thomas's was founded as a kindergarten in a Pimlico church hall in 1971 by actress and mother Joanna Thomas. Six years later Joanna and her husband David founded a school for older children in response to the success of the kindergarten and a growth in demand for quality day school places in London. In 1977 the first Thomas's, initially known as Kensington Court Lower School, opened in Cadogan Gardens.

By offering an education for both boys and girls with high academic aims, along with a broad curriculum taught by energetic teachers, the school went from strength to strength. It eventually expanded and multiplied becoming a group of schools which is internationally recognised as a beacon of excellence in prep school education.

Thomas's Clapham opened in 1993 on the site of the former Clapham County Girls' School on Broomwood Road between Wandsworth and Clapham Commons. By then, Thomas's Kensington had opened in 1981 and the original Thomas's had moved to larger premises and become Thomas's Battersea in 1989. Thomas's Kindergarten had opened nearby in 1992.

Thomas's Fulham opened in 2004. Joanna and David Thomas retired from the active management of the group in 1999. Thomas's is now run by their sons Ben and Tobyn.

In September 2021, Thomas's will open its first senior school taking pupils up to the age of 18.

There are currently 647 children aged from 4 to 13 on the roll at Thomas's Clapham which is the biggest school in the group. Demand for places at the school is considerable with most children arriving in Reception. Around 20 join in Year 7 from Thomas's Fulham. One class leave for London day and boarding schools at the end of Year 6. The majority stay until Year 8. Approximately 70% go on to boarding schools.

The school was recognised by Ofsted as Outstanding in each category in February 2018.

Mr Phil Ward has been in post as Headmaster since September 2012. He was previously Headmaster of Feltonfleet in Cobham for 12 years.
ETHOS

Thomas’s Clapham is a modern and forward-looking school where respect for traditional values and love of learning create an environment where children can flourish.

It is a Christian school, open to children of all faiths and none.

The most important school rule, which applies to every member of the community, is to ‘Be Kind’. The happiness of the children is the number one concern of all the staff. Every child is respected and their self-esteem developed through a sense of achievement whether academic, sporting, artistic or musical.

CAMPUS & STRATEGIC DEVELOPMENT

Thomas’s Clapham is housed in a Grade II listed building which was built between 1904 and 1908 as a girls’ grammar school. Since opening in 1993, the campus has been greatly improved and updated. The facilities include a superb Drama studio and fully equipped theatre space. New classrooms and an Art, Pottery and Design Centre have been added as have outdoor learning areas including a garden dedicated to the teaching of Mindfulness.

There is a Masterplan for a significant refurbishment of the school campus and substantial progress has already been made on this. The work this summer included the rejuvenation of the School Hall into an Atrium to further support the school’s commitment to the Expressive and Performing Arts, and completion of the Top Floor classroom improvements.

The school offers a broad and rich curriculum covering a wide range of subjects and skills so children can start to identify areas of talent and interest and lay the foundations of a lifetime of learning in a rapidly changing world. By providing a positive and stimulating environment, boosted by their own hard work, the judicious support of their parents and the encouragement of their peers, children achieve the best possible academic results alongside a broad range of other skills.

Approaching 2025 is the current whole school strategic development plan which was launched in September 2018. It was the product of an 18-month long consultation with the whole school community. It embraces five key ambitions: A Rich Curriculum; Achievement and Attainment; Questioning and Thinking Skills; Contributing to the Community and Knowing and Caring for Everyone. Above all, it is a collective commitment to put children at the heart of the school’s efforts to do everything possible to prepare them for the challenges of living and working in the mid to late 21st century.
THE UPPER SCHOOL AND THE YEAR 5 TEAM

Thomas’s Clapham is divided into three Areas, the Lower School, (Reception to Year 2), the Middle School (Years 3 and 4) and the Upper School (Years 5 – 8). Within a large and vibrant school, this allows the Head of each area of the school, and their staff, to tailor the curriculum specifically to the academic and pastoral needs of the children at each stage of their development.

The Head of the Upper School (13+), Mr Gary Evans, and Mrs Sara Harrison, the Head of Upper School (11+), oversee the academic tracking, assessment arrangements and senior school preparation for Years 7 and 8, and Years 5 and 6 respectively. The Assistant Head (Curriculum and Innovation), Miss Fenella Spendlove, is responsible for the strategy operations and logistics to ensure the development and smooth running of the Upper School.

The welfare and pastoral care of each year group is led by a Year Leader for each of Years 5 to 8. The Year 5 Leader is Miss Emily Simons. Whilst her brief isn’t specifically to co-ordinate teaching and learning in Year 5, she is pivotal in liaising with both Miss Fenella Spendlove, the Head of Upper School (11+), and each Subject Leader, overseeing planning and monitoring, to ensure the effective progress of children in the year group.

Emily leads a strong, cohesive and experienced team of four class based Year 5 teachers who work closely together, and to excellent effect. Year 5 is central to the preparation of the children as they contemplate the final stage of their time at Thomas’s Clapham, whether they move on at the end of Year 6 (11+), or stay with us until they complete Year 8 (13+).

YEAR 5 – STRUCTURE AND ORGANISATION

There are four classes in Year 5. The children are in classes of no more than 20 in Year 5, and stay with their form cohort for most lessons. However, they are setted for Mathematics and English. Maths and English is taught in sets, and each Year 5 teacher will teach one of the sets in each subject. The form teacher is responsible for teaching Mathematics, English, History, Geography, Reasoning, RE&P, and Inspiring Living.

The Year 5 teachers are also the form teachers for their Year 5 class, overseeing the pastoral care of their form. As such, each Year 5 teacher has a key role and responsibility for the overall academic and pastoral development of the children in their class.
ACADEMIC

Throughout the school, the approach to teaching and learning is exciting and progressive summed up in the principle Inspiring Learning. The National Curriculum is the starting point, but in each subject work is planned to stimulate and challenge. Change is eagerly embraced by colleagues and pupils who share a passion for learning and finding new and better ways of doing things. Creativity, thinking skills and instilling a thirst for independent learning are at the heart of approach. Continuous professional development is a strongly established culture within the school.

A revised curriculum was rolled out in September 2016, characterised by enquiry-based learning, and the teaching of a character skills programme called the 8C's which is woven into every aspect of the curriculum. A commitment to teaching Growth Mindset has instilled a positive and optimistic approach to learning, living and leading which has been very well received.

Children are encouraged to achieve the best academic results they can and consistently hit the heights.

CO-CURRICULAR

Whilst academic standards and expectations are very high, there is a strong emphasis on breadth with a vibrant co-curricular programme. The range of opportunities is extraordinary encompassing sport, art, drama, trips, tours, a dazzling array of clubs and, of course, music.

SOCIAL time was launched in 2017 which encompasses the school’s commitment to global citizenship and community action. SOCIAL stands for Service, Outdoor, Community Involvement and Action Learning. It includes fundraising activities and hands-on involvement with local charities where possible. The co-curricular side of the school also ties in with the principle of Inspiring Leading which encourages children to be their best selves and to develop leadership qualities by motivating others to do the same. Inspiring Leading is embedded throughout the school community. It promotes the virtues of a positive mindset and all that means in terms of optimism, specific praise and rewarding positive behaviour.
PASTORAL CARE AND WELLBEING

The emphasis on the wellbeing of the whole community at Thomas’s Clapham is compelling. At the heart of the excellent pastoral care are the positive relationships which staff work tirelessly to foster. Class teachers and form tutors are supported by the Year Leaders who have broad responsibilities for the welfare of children in each year group. The Deputy Head (Community and Welfare) oversees pastoral care across the school and the Thomas’s Clapham Welfare Team meets weekly to discuss concerns raised by pupils, staff and parents.

Wellbeing is actively taught in the time allocated to weekly Inspiring Living lessons. The bespoke curriculum includes elements based on six pillars including Relationships, Being Healthy and Staying Safe. It is taught on a Tuesday morning across the whole school and is followed by a church service at St Luke’s which encourages further reflection.
